GOVERNMENT NOTICE NO. 722 published on 23/11/2018

THE MEDICAL, DENTAL AND ALLIED HEALTH PROFESSIONALS
ACT, 2017

(ACT NO. 11 OF 2017)

REGULATIONS

(Made under section 64(1))

THE MEDICAL COUNCIL OF TANGANYIKA (EXAMINATION AND REGISTRATION
PROCEDURES) REGULATIONS, 2018

PART I
PRELIMINARY PROVISIONS

- Citation 1. These Regulations may be cited as the Medical Council of Tanganyika (Examination and Registration Procedures) Regulations, 2018
- Interpretation 2. In these Regulations unless the context requires otherwise:
Act No. 11 of 2017 “Act” means the Medical, Dental and Allied Health Professionals Act, 2017;
 “Committee” means the committee established under regulation 3
 “Council” means the Medical Council of Tanganyika established under section 4 of the Act;
 “Full registration” means a registration granted to a medical, dental or allied health professional in accordance with section 26 of the Act;
 “Internship” means a period of supervised practical experience for medical, dental or Allied Health graduates when they serve in the hospitals for specified periods before registration;
 “limited registration” means a registration granted to a foreigner intending to practice in Mainland Tanzania for a specific period of time;

- “List” means a list of medical, dental and allied health practitioner holding a certificate in the relevant fields from institutions recognized by the Council;
- “medical practitioner” means a person holding a degree, advanced diploma, diploma or certificate in medicine or dentistry from an institution recognized by the Council, with his level of competency and registered, enrolled or enlisted to practice as such under this Act;
- “medical or dental professional” means registered person holding a degree in medicine or dentistry from an institution recognised by the Council;
- “Post-Internship Examination” means the examination conducted by the Council to qualify the applicant for full registration, enrolment or enlistment;
- “pre-Internship Examination” means examination conducted by the Council before the internship period to qualify the applicant for provisional registration;
- “provisional registration” means a registration granted to a medical and dental professionals in accordance with the provisions of section 25 of the Act;
- “Register” means the Register of medical, dental and allied health professionals holding a degree;
- “Registrar” means the Registrar of the Council appointed under section 11 of the Act;
- “remedial training” means training to be undertaken by a person who fails to meet the registration, enrolment or enlistment criteria for more than two times; and
- “Roll” means a roll of medical, dental and allied health practitioner holding advanced diploma or diploma in the relevant fields from institutions recognized by the Council.

Establishment
and
composition
of committee

- 3.**-(1) There is hereby established a committee to be known as the examination and registration committee.
- (2) The committee shall consist of the following members:
- (a) the chairman to be appointed by the Council from amongst its the members;
 - (b) six other members who are not Council members to be appointed by the Council
 - (3) The Committee may co-opt any person to attend any

meeting for purposes of assisting the Committee in the deliberation of any matter, but the co-opted person shall not have a right to vote in any such meeting.

(4) The Committee shall regulate its own proceedings.

(5) The committee members shall serve in that position for tenure of three years.

Functions of
the
Committee

4.-(1) The functions of the Committee shall be to-

- (a) scrutinize applications for registration, enrolment, enlistment, specialist and additional qualification and subsequently recommend to the Council for registration;
- (b) coordinate the Conduct of examinations;
- (c) compile examination report and recommend to the council, the names of medical, dental and allied health professionals and practitioners who have qualified for registration, enrolment and enlistment;
- (d) in collaboration with Medical, dental and Allied health training Institutions and accrediting authorities, index all medical, dental and allied health students for purposes of effective planning;
- (e) inspect facilities which have applied to offer internship training and recommend to the Council for accreditation;
- (f) review post-graduate academic qualifications for the purpose of specialist and super-specialist registration;
- (g) review academic qualifications additional to the basic registrable qualifications for purpose of registration, enrolment or enlistment; and
- (h) do any other functions as may be directed by the Council.

(2) Any decision made by the Committee in the course of undertaking the functions specified under sub-regulation (1) shall be subject to approval by the Council.

PART II PROCEDURE FOR CONDUCTING EXAMINATIONS

Categories of
examinations

5.-(1) The Council shall conduct examinations for medical, dental and allied practitioners for eligibility of registration, enrolment and enlistment.

(2) The Council may impose fees for conducting pre-examinations.

(2) Examinations referred to under sub-regulation (1), shall be in the following categories:

- (a) pre-internship examination;
- (b) post-internship examination;
- (c) pre-enrolment or enlistment examination.

(3) The Committee shall ensure that examinations are in compliance with the curriculum of relevant specialties.

(5) Examinations under these Regulations may be written, practical or both and, shall be assessed separately as the Council may prescribe from time to time.

(6) Practical examination for persons qualified from local training institutions shall be conducted at the recognized institution in which the candidate has been trained and shall be done during the final examination for purposes of assessing professional knowledge and skills.

(7) Subject to the conditions set under subsection (6), practical examination for persons qualified outside the United Republic of Tanzania shall be conducted at the designated institution allocated by the Council.

(8) Examinations shall be conducted at the recognized institution and the Council shall determine the dates and venue on which the respective examinations shall be conducted.

(9) Without prejudice to sub-regulation (8), the examination notice shall be issued by the Council at least three months before conducting the examinations.

Eligibility for
internship,
enrolment or
enlistment

6. A person shall be eligible for internship, enrolment or enlistment, if he is a holder of a degree, advance diploma, diploma or certificate in medicine, dentistry or allied health sciences and has submitted to the Council the following documents:

- (d) certified copies of academic certificates or provisional statements of results from recognized training institutions;
- (e) one passport size photograph;
- (f) student's identity card or any other recognized identity card;
- (g) in case of a foreign qualifying student, a certified copy of passport and proof of payment of prescribed

fee;

- (h) in case of foreign qualification, a certified copy of certificate of recognition of academic evaluation from the recognized accrediting authorities, except from Countries which have reciprocal recognition.

Pre and post
internship
examinations

7. For purposes of these Regulations-

- (a) pre-internship examinations shall be done by medical, dental and allied health professionals before being provisionally registered; and
(b) post-internship assessment shall be done by medical, dental or allied health professionals in order to determine eligibility for full registration.

Pre-
enrolment or
enlistment

8.-(1) For purposes of these Regulations, pre-enrolment or enlistment examinations shall be done by medical, dental or allied health practitioners before being enrolled or enlisted.

(2) Subject to subregulation (1), the Council may impose pre- enrolment or enlistment examination fee as it may be prescribed.

Remedial
training

9.-(1) A person who fails the examination in the first sitting shall be allowed two more attempts in which upon failure shall be subjected to remedial training.

(2) Remedial training referred to under sub-regulation (1) shall be-

- (a) undertaken within a period of twelve months from the date of first sitting;
(b) undertaken in respect of the relevant disciplines in which, in the opinion of the Council, the candidate has proven to possess insufficient or inadequate knowledge and skills;
(c) undertaken within the internship period in the manner to be determined by the Council.

(3) Remedial training for medical, dental or allied health practitioners who are not required to undergo internship training shall be in the manner to be determined by the Council from time to time.

(4) Upon completion of remedial training, a candidate shall be required to submit to the Committee a comprehensive

report on the program undertaken before sitting for post examination.

(5) The costs for remedial training referred to under sub-regulation (1), shall be borne by the respective candidate.

Withdrawal
or
postponement
of
examination

10.-(1) A person who wishes to withdraw from any of the mandatory examinations set under these Regulations shall notify the Registrar fourteen days before, and state reasons for such withdrawal.

(2) The Council may, allow a candidate to withdrawal or postpone an examination:

Provided that, such withdrawal or postponement, as the case may be, the candidate shall, within the period of one year from the date in which the Council allowed such postponement or withdrawal, be required to sit for the postponed or withdrawn examination.

(3) Where the Committee postpones or cancels examination or invalidates results of examination, it shall issue a formal notice and candidates may sit for another examination as the Council may determine.

Examination
results

11.-(1) Examinations result shall be made available within thirty days by the training institution and in a manner prescribed by the Council.

(2) A person who is not satisfied with the examination results may apply in writing to the Council within seven days from the date of release of examination results by the Council.

(3) The decision of the Council in relation to examination results shall be final.

Exemption
from
examination

12. The provisions of this Part shall not apply to candidates who have qualified under the reciprocal recognition arrangement within the East African Community.

PART III
PROCEDURES FOR REGISTRATION, ENROLMENT AND ENLISTMENT
(a) Registration of Medical, Dental and Allied Health Professionals

Types of
registration

13.-(1) Types of registration for medical, dental and allied health professionals shall be:

- (a) provisional registration;
- (b) full registration;

(c) limited registration.

(2) For purposes of sub-regulation (1), the Council shall establish a register containing such particulars as prescribed in the First Schedule.

Provisional
registration

14. A medical, dental or allied health professional who has passed the pre-internship examination conducted by the Council in accordance with the provisions of these Regulations, shall be eligible for provisional registration as prescribed under the Second Schedule.

Procedures
for
provisional
registration

15.-(1) A person who has passed a pre- internship examination and intends to obtain provisional registration under this Part shall submit an application to the Registrar.

(2) Without prejudice to the provisions of section 25 of the Act, a medical, dental or allied health professional shall not undergo internship training unless he has been granted provisional registration by the Council.

(3) An application made under sub regulation (1) shall be accompanied by-

- (a) certified copy or copies of certificates of academic qualifications;
- (b) proof of payment of registration fee;
- (c) one passport size photograph;
- (d) certified copies of ordinary and advanced levels certificates;
- (e) certified copy of birth certificate.

(4) Where an applicant complies with all the requirements of sub-regulation (3), the Registrar shall, upon approval of the Council, issue certificate of provisional registration to the applicant within one month from the date of receiving the decision of the Council.

(5) Where an applicant has complied with all the requirements for provisional registration, and the Council fails to issue certificate to the applicant within one month from date of its decision, the applicant shall be entitled to undergo internship training at any desired accredited internship centre without the certificate of provisional registration.

(6) Without prejudice to section 24(1) of the Act, an applicant who intends to be provisionally registered shall be required to comply with the provisions specified under Part II of

these Regulations.

(7) The Registrar may reject an application for registration if he is satisfied that the applicant has not met any or all of the requirements prescribed under sub-regulation (3):

(8) Where the Registrar rejects an application under this regulation, he shall notify the applicant in writing within seven days stating the reasons for such rejection.

Validity of
certificate of
provisional
registration

16.-(1) A certificate of provisional registration shall be valid for the period of twelve consecutive months and shall entitle the holder to practice medicine, dentistry or allied health sciences under supervision of a senior medical, dental or allied health Professional in an accredited internship Centre named in the certificate.

(2) The Council may extend the validity of certificate of provisional registration for any period of period of time as may be necessary.

Failure to
comply with
Part II

17.-(1) Where a medical, dental or allied health professional fails to comply with the provisions specified under section 24(1) of the Act and Part II of these Regulations, he shall notify the Registrar in writing specifying the reasons for non compliance.

(2) Upon receipt of the notification under sub-regulation (1), the Registrar shall submit such application to the Council for consideration.

(3) The Council shall, on receipt of notification referred to under sub-regulation (2), consider the application and may accept or reject the application.

(4) Where the Council rejects or accepts the application, it shall direct the Registrar to communicate its decision to the applicant in writing.

(5) A medical, dental or allied health professional who is not satisfied with the decision of the Council may, within thirty days from the date of receiving notification of the Council's decision, apply for review in accordance with the provisions of the Act.

Full
registration

18.-(1) A person who has completed internship programme and has worked or practiced as medical, dental or allied health professional shall, upon making an application to the

Council, be entitled to full registration as medical, dental or allied health professional.

(2) Without prejudice to section 26(1) of the Act, a medical, dental or allied health professional who intends to be fully registered shall be required to comply with the provisions specified under regulation.

(3) A medical, dental or allied health professional who intends to be fully registered shall lodge an application to the Registrar.

(4) An application for full registration shall be accompanied by-

- (a) certified copies of academic certificates from recognized training institutions;
- (b) an up to date copy of curriculum vitae;
- (c) a duly filled internship logbook
- (d) certified copy of completion of internship certificate;
- (e) proof of payment of registration fee;
- (f) such other documents or particulars as the Council may require.

(5) The Registrar shall, after receiving an application, refer the application together with his recommendations to the Council for consideration and determination.

(6) The Council may, after consideration of the matter-

- (a) approve the application and direct the Registrar to register the applicant; or
- (b) reject the application and direct the Registrar to inform the applicant within one month after submission of the application stating the reasons for the Council's decision.

(7) Where the applicant meets all the requirements for full registration, and the Council fails to issue certificate to the applicant within one month, the applicant shall be deemed to have been fully registered.

Limited
registration

19.-(1) A foreign medical, dental or allied health professional who intends to practice in the country shall lodge an application to the Council for limited registration.

(2) An application for limited registration shall be accompanied by-

- (a) certified copies of academic certificates from recognized training institutions;

- (b) an up to date copy of curriculum vitae;
- (c) proof of payment of registration fee;
- (d) certified copies of passport;
- (e) one passport size photograph;
- (f) certified copy of certificate of registration from the registration authority of last jurisdiction of practice;
- (g) original certificate of good standing from the registering authority of last jurisdiction of practice not exceeding six months from the date of issue;
- (h) a certified copy of certificate of recognition of academic evaluation from the recognized accrediting authority;
- (i) in case of documents not in English language, a translated version of such documents;
- (j) introduction letter from the host Institution
- (k) such other documents or particulars as the Council may require.

(3) The duration for limited registration shall be categorized as follows:

- (a) from 1 to 10 days;
- (b) from 10 days to 3 months;
- (c) from 3 months to 1 year.

Issuance of
certificate of
registration

20.-(1) Where a local or foreign medical, dental or allied health professional complies with all requirements for registration under these Regulations, the Registrar shall issue a certificate of registration upon payment of the prescribed fee.

(2) The certificate of registration shall be in a manner prescribed in the Third Schedule.

(3) A certificate of registration shall contain such terms and conditions as the Council may impose from time to time.

Professional
stamps

21. A holder of full registration certificate who intends to practice medicine, dentistry or allied health sciences shall be required to use a professional stamp in a manner to be prescribed by the Council.

Cancellation
or suspension
of registration

22.-(1) The Council may suspend any certificate of registration issued under the Act and these Regulations where the holder of the certificate -

- (a) fails to observe the imposed conditions of his

- registration;
- (b) fails to pay retention fee;
- (c) contravenes any provision of the Act or these Regulations;
- (d) is convicted of any professional misconduct.

(2) The Council may cancel any certificate of registration issued under the Act and these Regulations where the holder of the certificate of registration-

- (a) is convicted with any offence relating to corruption, tax evasion or offence against morality or any other similar offence;
- (b) is suspended or censured for more than two times within a period of three years of practice.

Procedure for
cancellation
or suspension
of registration

23.-(1) Where a medical, dental or allied health professional is in violation of the terms and conditions of his registration, the Registrar shall, on the directives of the Council, serve on the medical or dental professional a notice in writing specifying the nature of default.

(2) Upon receipt of the notice under sub-regulation (1), medical, dental or allied health professional as the case may be shall make representation in writing to the Registrar on the rectification of the default.

(3) Where the medical, dental or allied health professional fails to rectify the default within the time specified in the notice or fails to make representation satisfactory to the Registrar, the Registrar shall recommend to the Council for cancellation or suspension of the certificate of registration.

(4) The Council shall, if it is satisfied with the recommendations made under sub-regulation (3), direct the Registrar to cancel or suspend the certificate of registration.

(b) Enrolment of Medical, Dental and Allied Health Practitioners

Enrolment

24.-(1) A person shall be enrolled with the Council as a medical, dental or allied health practitioner if such person is awarded advanced diploma or a diploma in medicine, dentistry or allied health sciences from an institution recognized by the Council.

(2) For purposes of sub-regulation (1), the Council shall establish a roll containing such particulars as prescribed in the

First Schedule.

Requirements
for enrolment

25. A person who intends to be enrolled shall make an application to the Council and an application shall be accompanied by the following:.

- (a) certified copies of academic certificates from recognized training institutions;
- (b) an up to date curriculum vitae;
- (c) proof of payment of enrolment fee;
- (d) one passport size photograph;
- (e) any other document or information as the Council may require.

Examination

26. A person shall, before enrolment, be required to comply with the provisions specified under Part II of these Regulations.

Limited
enrolment

27.-(1) A foreign medical, dental or allied health practitioner who intends to practice in the country shall lodge an application to the Council for limited enrolment.

(2) An application for limited enrolment shall be accompanied by-

- (a) certified copies of academic certificates from recognized training institutions;
- (b) an up to date copy of curriculum vitae;
- (c) proof of payment of enrolment fee;
- (d) certified copies of passport;
- (e) one passport size photograph;
- (f) certified copy of certificate of enrolment from the registering authority of last jurisdiction of practice;
- (g) original certificate of good standing from the registering authority of last jurisdiction of practice not exceeding six months from the date of issue;
- (h) a certified copy of certificate of recognition of academic evaluation from the recognized accrediting authority;
- (i) in case of documents not in English language, a translated version of such documents;
- (j) introduction letter from the host Institution;
- (k) such other documents or particulars as the Council may require.

(3) The duration for limited enrolment shall be categorized as follows:

- (a) from 1 to 10 days;
- (b) from 10 days to 3 months;
- (c) from 3 months to 1 year.

Issuance of
enrolment
certificate

28.-(1) Where a local or foreign medical, dental or allied health practitioner complies with all requirements for enrolment under these Regulations, the Registrar shall issue a certificate of enrolment upon payment of the prescribed fee.

(2) The certificate of enrolment shall be as prescribed in the Fourth Schedule.

(3) A certificate of enrolment shall contain such conditions as the Council may impose from time to time.

Cancellation
or suspension
of enrolment

29.-(1) The Council may suspend any certificate of enrolment issued under these Regulations where the holder of the certificate -

- (a) fails to observe the imposed conditions of his enrolment;
- (b) fails to pay retention fee;
- (c) contravenes any provisions of the Act or these Regulations;
- (d) is convicted for any professional misconduct.

(2) The Council may cancel any certificate of enrolment issued under these Regulations where the holder of the certificate of enrolment-

- (a) is convicted with any offence relating to corruption, tax evasion or offence against morality;
- (b) is suspended or censured for more than two times within a period of three years of practice.

(c) Enlistment of Medical, Dental and Allied Health Practitioners

Enlistment

30.-(1) A person shall be enlisted with the Council as a medical, dental or allied health practitioner if such person is awarded a certificate in medicine, dentistry or allied health sciences from an institution recognized by the Council

(2) For purposes of sub-regulation (1), the Council shall establish a list containing such particulars as prescribed in the First Schedule.

Requirements
for enlistment

31. A person who intends to be enlisted shall make an application to the Council and an application shall be accompanied by the following:

- (a) certified copies of academic certificates from recognized training institutions;
- (b) an up to date curriculum vitae;
- (c) proof of payment of enlistment fee;
- (d) one passport size photograph;
- (e) any other document or information as the Council may require.

Examination

32. A person shall, before enlistment, be required to comply with the provisions specified under Part II of these Regulations.

Limited
enlistment

33.-(1) A foreign medical, dental or allied health practitioner who intends to practice in the country shall lodge an application to the Council for limited enlistment and the application shall be accompanied by-

- (a) certified copies of academic certificates from recognized training institutions;
- (b) an up to date copy of curriculum vitae;
- (c) proof of payment of enlistment fee;
- (d) certified copies of passport;
- (e) one passport size photograph;
- (f) certified copy of certificate of enlistment from the registering authority of last jurisdiction of practice;
- (g) original certificate of good standing from the registering authority of last jurisdiction of practice not exceeding six months from the date of issue;
- (h) a certified copy of certificate of recognition of academic evaluation from the recognized accrediting authority;
- (i) in case of documents not in English language, a translated version of such documents;
- (j) introduction letter from the host institution;
- (k) such other documents or particulars as the Council may require.

(2) The duration for limited enlistment shall be categorized as follows:

- (a) from 1 to 10 days;
- (b) from 10 days to 3 months;
- (c) from 3 months to 1 year.

Issuance of
enlistment
certificate

34.-(1) Where a local or foreign medical, dental or allied health practitioner complies with all requirements for enlistment under these Regulations, the Registrar shall issue a certificate of enlistment upon payment of the prescribed fee.

(2) The certificate of enlistment shall be in a manner prescribed in the Fifth Schedule.

(3) A certificate of enlistment shall contain such conditions as the Council may impose from time to time.

Cancellation
or suspension
of enlistment

35.-(1) The Council may suspend any certificate of enlistment issued under these Regulations where the holder of the certificate of enlistment-

- (a) fails to observe the imposed conditions of his enlistment;
- (b) fails to pay retention fee;
- (c) contravenes any provisions of the Act or these Regulations;
- (d) is convicted for any professional misconduct.

(2) The Council may cancel any certificate of enlistment issued under these Regulations where the holder of the certificate of enlistment-

- (a) is convicted with any offence relating to corruption, tax evasion or offence against morality;
- (b) is suspended or censured for more than two times within a period of three years of practice.

Panel of
experts

36.-(1) There shall be a panel of expert's medical, dental, allied health professional or practitioners to be appointed by the Council responsible for assessment of knowledge and skills for purposes of recommending to the Council, grant of limited registration, enrolment and enlistment.

(2) The Panel of experts referred to in sub-regulation (1) shall consist of not less than three experts.

(3) A medical, dental, allied health professional or practitioner who intends to practice as a medical, dentistry or allied health sciences for three months to one year, may be subjected to a panel of experts for assessment of knowledge and

skills depending on the area of practice.

(4) On receipt of recommendations made by the panel of experts, the Council shall deliberate on the report and direct the Registrar to communicate its decision to the applicant within seven working days.

(5) A person who is granted a limited enrolment for one year shall be required to apply for annual practicing license in the manner to be determined by the Council.

Additional
qualification

37.-(1) A person who is registered, enrolled or enlisted and has acquired an additional qualification related to health matters from a recognized institution, may apply to the Council for recognition of the additional qualification.

(2) The additional qualifications specified under sub-regulation (2) shall take into consideration duration of training of the respective program.

Recognition
of Specialized
and super
specialized
qualification

38.-(1) A medical or dental professional with specialized or super-specialized qualification shall apply to the Council for recognition of such qualification.

(2) Without prejudice to sub-regulation (1), the Council may recognize medical or dental professional as a specialist or super specialist in any of the specialty as may be prescribed in the Guidelines.

(3) Subject to sub-regulation (2), a medical or dental professional shall be recognized by the Council as a specialist or super specialist if he has post-graduate qualification from an institution recognized by the Council.

(4) Without prejudice to sub-regulation (3), the Council may recognize a medical or dental professional as a specialist or super specialist who has undergone a fellowship training in a recognized institution.

Application
for
recognition of
additional,
specialty or
super
specialty
qualification

39. An application for recognition of additional, specialty or super specialty qualification shall be accompanied with the following documents:

(a) certified copies of academic certificates recognized training institutions;

(b) certified copies of academic transcripts;

- (c) proof of payment of prescribed fee;
- (d) a curriculum vitae;
- (e) any other documents as the Council may require.

Issuance of
certificate of
recognition

40. Where a medical, dental or allied health practitioner complies with all requirements prescribed under regulations 38 and 39, the Council shall direct the Registrar to issue certificate of recognition as prescribed in the Sixth Schedule.

Rejection of
application
for
recognition

41. Where an application for recognition of additional specialty or super specialty qualification is rejected, the Council shall direct the Registrar to notify the applicant in writing stating the reasons for such rejection within three months.

Review

42. A person who is aggrieved by the decision of the Council under regulation 37 shall, within thirty days from the date of receiving notification, lodge an application for review to the Council.

Surrender of
certificate of
registration,
enrolment or
enlistment

43. A medical, dental, allied health professional and practitioner whose certificate has been cancelled by the Council shall surrender his certificate of registration, enrolment or enlistment to the Registrar.

PART IV
GENERAL PROVISIONS

Offences and
penalties

- 44.** Any person who-
- (a) takes or uses a title and description of medical, dental or allied health practitioner without being registered, enrolled or enlisted by the Council;
 - (b) knowingly takes or uses a title and description of medical, dental, allied health professional and practitioner without being qualified as such;
 - (c) procures or attempts to procure registration, enrolment or enlistment by fraud, forgery or any other similar manner;
 - (d) aids or abets any other person who is not eligible under these Regulations, to procure registration, enrolment or enlistment;
 - (e) allows any other person to use his professional stamp;
 - (f) practices using a cancelled or suspended certificate;

(g) uses a professional stamp made by an institution other than approved institution, commits an offence.

(2) A person who commits an offence under this regulation shall, upon conviction, be liable to a fine of not less than five million shillings but not exceeding ten million shillings, or to imprisonment for a term of not less than one year but not exceeding two years or to both.

Reinstatement of registration, enrolment or enlistment

45. A medical, dental, allied health professional and practitioner whose certificate has been suspended or cancelled shall apply to the Council for reinstatement of his certificate of registration, enrolment or enlistment.

Transitional provisions

46.-(1) Any person who completed an internship prior to the commencement of these Regulations and was eligible to apply for full registration but failed, without reasonable cause, may do so within the period of six months from the date of commencement of these Regulations, and shall be required to sit for post internship examination as prescribed under these Regulations.

(2) Any person whose additional qualification had been recognized by the Council shall continue to be recognized as such.

Revocation GN No. 180 of 1968

47. The Medical Practitioners (Conditions Pre-requisite to Registration) Rules, 1968 are hereby revoked.
